Head End	1036mm high
Low Footend	385mm high
Floor Gap	222mm high

TASMAN

The Tasman features an elegant curved head and footend for a slightly more classic feel.

The Tasman bunk is available in Single and King Single sizes.

Bunks are a great solution for children's rooms or holiday homes to maximise space. This bunk also breaks down to two bed frames, allowing for flexibility of use.

TASMAN BUNK SIZE SPECIFICATIONS	Single	1033mm wide	943 slat width	2032mm long	1758mm high overall	Bottom Bunk	1023mm high
	King Single	1188mm wide	1090 slat width	2162mm long	1758mm high overall	Top Bunk	735mm high

METRO

The Metro brings a more modern, edgy feel to an elegant bunk.

The Metro bunk is available in Single and King Single sizes.

Bunks are a great solution for children's rooms or holiday homes to maximise space. This bunk also breaks down to two bed frames, allowing for flexibility of use.

METRO BUNK SIZE SPECIFICATIONS	Single	1033mm wide	943 slat width	2032mm long	1758mm high overall	Bottom Bunk	1023mm high
	King Single	1188mm wide	1090 slat width	2162mm long	1758mm high overall	Top Bunk	735mm high

LOFT

The perfect solution for smaller rooms, the Loft frees up floor space for other furniture such as desks, drawers, or a second bed, up to queen size, on a different angle.

The Loft bed is available in Single and King Single sizes.

LOFT BED SIZE SPECIFICATIONS	Single	1116mm wide	1894mm long	1780mm high
	King Single	1172mm wide	2114mm long	1780mm high

TRIO

The Trio provides a combination of bed sizes within a bunk, perfect for a holiday home or for when you need an extra bed but don't have the space.

The Trio bed comes in two size configurations: a Single over a Double or a King Single over a Queen.

TRIO BED SIZE SPECIFICATIONS	Double/Single	1462mm wide	2032mm long	1758mm high
	Queen/King Single	1622mm wide	2162mm long	1758mm high
